VITAMIN C SKIN TREATMENT

Vitamin C skin treatment is an effective antioxidant-rich treatment that visibly improves skin health. Based on natural, organically derived vitamin C, this phytonutrient-rich treatment works to increase collagen and elastin regeneration, resulting in visibly firmer and tighter skin.

Pores are refined, and overall appearance of the skin is brightened. Recommended for all skin types.

60 Minutes – **R500**

DEEP CLEANSE TREATMENT

This Dermal extraction skin treatment focuses on deep cleansing of the skin and removing impurities from the pores and dead skin cell build up. The process typically involves a combination of deep cleansing, exfoliation, and the use of specialised tools to extract impurities.

It is particularly beneficial for those with acne prone skin and oily skin conditions and leaves the skin clarified and clear.

60 Minutes - **R500**

REVITALISING SKIN TREATMENT

Vita Gel skin treatment is formulated with alpha hydroxy acids along with peptides and hyaluronic acid. This gel mask treatment will leave the skin revitalised by improving natural cell rejuvenation as well as stimulating collagen and elastin production. The treatment is recommended for all skin conditions. This treatment will leave the skin smooth, moisturised and revitalised.

60 Minutes – **R500**
